1. POLICY

This Continuous Disclosure Policy (“Policy”) is effective from 14 September 2010.

2. STATEMENT OF COMMITMENT

As a New Zealand listed company, Barramundi Limited (“Barramundi” or the “Company”) is required to comply with the continuous disclosure obligations contained in the NZX Listing Rules. These continuous disclosure obligations are complemented by requirements under the Financial Markets Conduct Act.

3.2 This will be achieved by ensuring that procedures are in place for:

- identifying all material information;
- reporting such potential information for review; and
- timely disclosure of material information.

This Policy applies to:

- all Directors of Barramundi;
- the Corporate Manager and Corporate Management team;
- the Portfolio Manager of Barramundi and the Senior Investment Analyst of Barramundi insofar as the portfolio management services they provide to Barramundi as employees of Fisher Funds Management Limited (“Fisher Funds” or “the Manager”), pursuant to the management agreement between these parties.
- all consultants to Barramundi.

5. MATERIAL INFORMATION

5.1 The Financial Markets Conduct Act and the NZX Listing Rules require Barramundi to disclose material information to the NZX immediately upon the Company becoming aware of that information.

5.2 Material information in this Policy means any information that a reasonable person would expect, if it were generally available to the market, to have a material effect on the price of Barramundi's securities subject to various exemptions.

5.3 The NZX guidance note on continuous disclosure shall also be used to assist in determining whether information needs to be disclosed as a continuous disclosure obligation.

5.4 The Barramundi net asset value is released to the NZX every Thursday and at month end and includes details of the top five portfolio holdings and the percentage of the portfolio that these holdings comprise.

5.5 Any information not considered material will not be released to the NZX under this Continuous Disclosure Policy. It may however be released to the NZX in accordance with Barramundi's Communications Policy.

6.2 Individual Directors are responsible for discussing with the Chair whether any information he or she may hold requires disclosure in accordance with this Policy.

6.3 The Manager is responsible for discussing with the Board as to whether information that the Manager is aware of requires disclosure to NZX in accordance with this Policy, having first consulted with the Corporate Manager.

6.4 The Board is accountable for making the final decision as to whether or not information requires disclosure under this Policy.

6.5 The Corporate Manager is accountable for:

7.2 The Board shall be responsible for making the final decision whether or not to disclose the information to NZX. Appropriate records of the Board's decision shall be made by the Corporate Manager. 9. EXCEPTIONS TO DISCLOSURE REQUIREMENTS

There are exceptions under the NZX Listing Rules to the requirement for disclosure of certain material information. The decision as to whether an exception applies will form part of the decision making processes outlined above. 10. FORM OF DISCLOSURE OF MATERIAL INFORMATION

10.1 The Barramundi Board is accountable for approving the form of disclosure of material information to the market.
